OUR KITCHEN: We produce our food in kitchens where allergens are handled by our people, and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep things separate we cannot guarantee any item is allergen free even after ingredients have been removed on request. Therefore we can't guarantee that our food is completely nut or peanut free. It is possible that the composition of the products changes. We will do our best to update this allergen information as soon as we are informed about the change in the composition of any of these products.

DELIVERY ORDERS: We also cannot guarantee your meal will not come in to contact with other allergens during delivery. Couriers may transport other UMAIMON orders or orders from other businesses at the same time as your UMAIMON order.
