

ONZE KEUKEN: We bereiden onze gerechten in keukens waar onze koks ook werken met ingrediënten die allergische reacties kunnen uitlokken. De apparaten en gebruiksvoorwerpen worden gebruikt voor verschillende gerechten, waaronder die met de allergenen. Hoewel we proberen de ingrediënten gescheiden te houden, kunnen we niet garanderen dat een artikel volledig allergeen vrij is, zelfs niet als de ingrediënten op verzoek zijn verwijderd. Daarom kunnen we niet garanderen dat ons voedsel volledig noten- of pinda vrij is. Het is mogelijk dat de samenstelling van de producten verandert. Wij zullen ons best doen om deze allergenen informatie bij te werken zodra wij worden geïnformeerd over de verandering van de samenstelling van een van deze producten.

BEZORG BESTELLINGEN: We kunnen ook niet garanderen dat uw maaltijd tijdens de bezorging niet in contact komt met andere allergenen. Koeriers kunnen andere TAKUMI-bestellingen of bestellingen van andere bedrijven tegelijkertijd met uw TAKUMI-bestelling vervoeren.

KOOLZAAD EIWIT: Koolzaad proteïne kan allergische reacties veroorzaken bij mosterdallergie.

ALLERGENEN LEGENDA

- Eieren
- Tarwe

OUR KITCHEN: We produce our food in kitchens where allergens are handled by our people, and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep things separate we cannot guarantee any item is allergen free even after ingredients have been removed on request. Therefore we can't guarantee that our food is completely nut or peanut free. It is possible that the composition of the products changes. We will do our best to update this allergen information as soon as we are informed about the change in the composition of any of these products.

DELIVERY ORDERS: We also cannot guarantee your meal will not come in to contact with other allergens during delivery. Couriers may transport other TAKUMI orders or orders from other businesses at the same time as your TAKUMI order.

RAPESEED PROTEIN: Rapeseed protein can cause allergic reactions in case of mustard allergy.
